INFORMATION LETTER

The Institute of Linguistics and International Communications of South Ural State University and the Pushkin Institute Centre announce a photo competition “Russia and China: Language – People – Culture” among pupils who have been learning Russian outside the territory of Russia.

Dear Contestants!

In the framework of the Pushkin Institute Partner Network with the purpose of drawing attention to the uniqueness of language and culture of Russian and Chinese people, South Ural State University and Chinese universities hold a **photo competition “Russia and China: Language – People – Culture”** among pupils who have been learning Russian in the territory of China. The photo competition is held in absentia. To take part in the contest, pupils should register on the website. The registration and participation rules will follow at a later date.
